To the Honorable Amos Kendal now
Postmaster general of U.S.A
we the Subscribers inhabitants of the south west
part of the Township of Greenfield and its vicinity
do represent that we labor under great inconvenience
in getting our papers and letters on account of
the great Distance we reside from any post office
Your petitioners therefore solicit and humbly
request a new post office to be established and that
it be called — here the name of ——— and that —
— may be appointed Post master —
and your petitioners will ever pray
